### COVID-19 Protocol

**Requirements for entry:** UCLA faculty, staff, students, and non-UCLA affiliates must complete the **Symptom Monitoring Survey** to obtain clearance to gain entry to the UCLA campus and its buildings.

**Face masks:** Masking is mandatory indoors for all individuals who are not up to date with their COVID-19 vaccinations. Masking is optional indoors for all individuals who are up to date with their Covid-19 vaccinations as well as for all outdoors portions of events.

*The protocols are in alignment with guidance from the California and Los Angeles County public health departments and in some cases surpass state and county requirements.*
